Enclosure No 2.

SECY LAW DEPT. 21 APR 42 GOVT OF MYSORE

Sir,

Subject Handing over of the management of the Municipal Park at Mandya to the Department of Horticulture

With reference to your letter No.6209 dated 19-2-41 calling a report on the above subject, I have the honour to forward herewith a copy of letter together with a copy of its enclosure received from Director of Horticulture in Mysore, in the matter for favour of information of Government.

It is seen from the above letter that a sum of Rs 5000/- has to be paid every year by the Mandya Municipality for the maintenance of of the Municipal Parks. In my opinion as the payment of the amount of Rs 5000/- every year is beyond the competance of the Municipality, the question of transfer will have to be dropped. However, I have called for the opinion of the Municipal Council in the matter and on receipt of the reply a further communication will be made in the matter.

I have the honour to be,
S i r,
Your most obedient Servant,

DEPUTY COMMISSIONER,
MANDYA DISTRICT

V.S.R./-

Letter No.3002/H. dated 28th March 1942, received from the Director of Horticulture in Mysore, Bangalore, to the Deputy Commissioner, Mandya District, Re Handing over the management of the Municipal Park at Mandya to the Department of Horticulture.

With reference to your letter No.A.5.C.2615/40-41 dated 21st August 1941 requesting me to intimate the terms of acceptance for the manggement of the Municipal Park at Mandya with special reference to the period of transfer of charge and further stipulations, I have the honour to state that since it is understood that the Municipality is finding it too unwieldy for them to manage the park in a satisfactory condition, I am agreeable for the transfer of the Park to the charge of this department provided the transfer is a permanent one and the required amount of Rs 5000/- per annum is also transferred

It is seen from the letter No.A.A 91/40-41 dated 26/28th June 1941 from the President, Town Municipal Council, Mandya, to the Deputy Commissioner, Mandya that the sum of Rs.3936/- or Rs.4000/- in round figures is spent per annum on the park without the satisfaction of maintaining it prperly while he has proposed to transfer only a sum of Rs 2500/- per annum to this department Further the sum of Rs.3936/- which is spent by them annually does not include the cost of manure, red earth, sand, gravel and other items under contingent expenditure such as bamboos, baskets, lime-ropes etc , which are quite necessary for the maintenance of the park and have therefore to be provided for The amount does not also include the charges on account of supply of water and light.

Cart (30)

The Present extent of the park is over 30 acres and it is stated by the President, that it is growing day by day.

In these circumstances the annual sum of Rs.2500/- proposed to be transferred by the Municipality to this department is quite inadequate for the maintenance of the park. I have enclosed herein a comparative statement showing under different heads, the several items of expenditure now incurred by the Municipality and the extra items of expenditure necessary for the annual maintenance of the park. The estimated amount is Rs. 500/- per annum and is just over a thousand rupees more than the amount actually spent annually over the park now by the Municipality. The slight increase in expenditure is due on account of the provision made for such of the items mentioned above which have not been included. If the Town Municipal Council, Mandya can allot this sum and provide water and light free of charge, I am agreeable to take over permanently the charge of the park to this department. It must however be added that additional funds will have to be provided for by the Municipality ~~xxx~~ if for any reason an extension of the present area of the park is desired or any special improvements have to be effected
